Centre cloth with motif crochet

GENERAL INSTRUCTIONS

Work each project following the corresponding CC and instructions. For the meanings of crochet symbols, see the key. Stitches marked over ch are to be worked around the ch-arch.

Rounds which are not shown entirely in the CC should be completed in pattern. Arrows in the CC mark points where two or more crocheted motifs are joined or indicate the direction of work. Changes from standard crochet procedure are explained in the instruction texts. Otherwise, work following the CC, which are labeled with numbers and letters as given in the instructions.

INSTRUCTIONS

The tablecloth is constructed from motifs 6a + b. Beg each motif with a thread ring and work foll the corresponding CC. For the centre cloth, crochet 12 x 12 motifs 6a (i.e. 144 flower motifs) together. Fill the resulting spaces with motifs 6b (a total of 121 motifs).

FINISHING

Cut yarn and hide ends. Block the centre cloth, dampen, and let dry.

BLOCKING

After crocheting, block each piece on a dry sur-face – preferably on a gridded interfacing, and with rust-proof pins – and dampen evenly with a laundry sprayer. Do not unpin the piece until it has dried completely.

To make sure your work looks like our original, use the Coats yarns as given. Fabrics may shrink during the first washing. For this reason, we recommend washing fabrics before cutting them as given in the instructions. The given measurements apply to washed fabric. Allow for shrinkage when purchasing fabric. The measurements of all fabric pieces include 1 cm (3/8 inch) seam allowances.
WASHING INSTRUCTIONS

All our threads are produced in accordance with Oeko-tex standards. PH values are tested and all our colors dye lots adhere to Global fastness standards. However, it is important to follow our thread washing instructions. Particularly with dark colors, excess dye can remain on the thread. To minimize any potential bleeding of excess dyestuff it is important to wash the products in THE HOTTEST TEMPERATURE possible, in accordance with the specifications of the fabrics, and use a large amount of water. Please make sure that you also follow the fabric washing instructions. As a precaution, you can also use decolorating sheets that you can find in any supermarket.

ABBREVIATIONS

alt	= alternate(ly)
beg	= begin(ning)
CC	= crochet chart
cont	= continue/continuous(ly)
dec	= decrease
foll	= follow(s/ing)
inc	= increase
PR	= pattern repeat
rem	= remain(ing)
rep	= repeat
rnd(s)	= round(s)
st(s)	= stitch(es)
tog	= together
yrh	= yarn round hook

If symbols meet in a point at the top, the corresponding sts are to be crocheted off tog. If symbols meet in a point at the bottom, the corresponding sts are to be worked in the same insertion point.

KEY TO CROCHET SYMBOLS

➤ begin	treble (= tr)
▷ end	tr in the back loop only
ch = chain(s)	3 tr, worked in the back loop only and crocheted off tog
slst = slip stitch(es)	6 tr worked in the back loop only and crocheted off tog
✕ dc = double crochet(s)	popcorn of 5 tr
✕ dc, in the back loop only	double treble (= dtr)
dc, hook inserted deeper	relief-dtr from front
relief-dc, from behind, around corresponding st	relief-dtr from behind
2 dc in one insertion point	popcorn of 6 dtr at beg of rnd
3 dc in one insertion point	1 popcorn with the number of tr indicated by numeral (= crochet all tr, remove hook from the loops, insert from front in crocheting-off loop of the 1st tr, draw loop through, and pull tightly) cloverleaf
1 dc, 1 ch, and 1 dc in one insertion point	
3 dc in the back loop only and in one insertion point	
2 dc crocheted off tog	triple tr (ttr)
2 dc in the back looponly and crocheted off tog	1 picot (= 3 ch, then 1 dc back in the 1st ch)
3 dc crocheted off tog	□ = empty square
3 dc in the back loop only and crocheted off tog	■ = filled square
half treble (= htr)	⟷ direction of work
htr in the back loop only	◯ thread ring (with illus. in the instructions)
