0060002-00803-07 Curtain with hydrangeas

Anchor Freccia N° 12 Art. No. 4771012- # (Colour n°)

16 x #7901 (white)

1 x size 1.25 mm (UK 3)

145 x 150 cm (57 x 60 inches)

Crochet

Easy

Curtain with hydrangeas

GENERAL INSTRUCTIONS

Work each project following the corresponding CC and instructions. For the meanings of crochet symbols, see the key. Stitches marked over ch are to be worked around the ch-arch.

Rounds which are not shown entirely in the CC should be completed in pattern. Arrows in the CC mark points where two or more crocheted motifs are joined or indicate the direction of work. Changes from standard crochet procedure are explained in the instruction texts. Otherwise, work following the CC, which are labeled with numbers and letters as given in the instructions.

FILET PATTERN

For each empty square work * 1 dtr, 2 ch, skip over 2 sts, and end with 1 dtr. For each filled square work * 1 dtr, 1 dtr in each of the foll 2 sts or 2 dtr in an empty square, and end with 1 dtr. Replace the 1st dtr of each row with 4 ch.

TENSION

20 squares x 17 rows = 10 x 10 cm (4 x 4 inches).

INSTRUCTIONS

The curtain is worked in filet crochet with dtr. Crochet a foundation of 701 ch and work the 1st dtr in the 6th ch from the hook. Each square of the pattern chart corresponds to a square (empty or filled) of the pattern. At the end, cut the yarn and hide the end.

BLOCKING

After crocheting, block each piece on a dry surface – preferably on a gridded interfacing, and with rust-proof pins – and dampen evenly with a laundry sprayer. Do not unpin the piece until it has dried completely.

To make sure your work looks like our original, use the Coats yarns as given. Fabrics may shrink during the first washing. For this reason, we recommend washing fabrics before cutting them as given in the instructions. The given measurements apply to washed fabric. Allow for shrinkage when purchasing fabric. The measurements of all fabric pieces include 1 cm (3/8 inch) seam allowances.

PLEASE NOTE

Filet crochet must be blocked in order to look as good as possible. If you find it difficult to block such a large piece, we recommend that you have it blocked professionally.

WASHING INSTRUCTIONS

All our threads are produced in accordance with Oeko-tex standards. PH values are tested and all our colors dye lots adhere to Global fastness standards. However, it is important to follow our thread washing instructions. Particularly with dark colors, excess dye can remain on the thread. To minimize any potential bleeding of excess dyestuff it is important to wash the products in THE HOTTEST TEMPERATURE possible, in accordance with the specifications of the fabrics, and use a large amount of water. Please make sure that you also follow the fabric washing instructions. As a precaution, you can also use decolorating sheets that you can find in any supermarket.

ABBREVIATIONS

alt = alternate(ly)
beg = begin(ning)
CC = crochet chart
cont = continue/continuous(ly)
dec = decrease
foll = follow(s/ing)
inc = increase
PR = pattern repeat
rem = remain(ing)
rep = repeat
rnd(s) = round(s)
st(s) = stitch(es)
tog = together
yrh = yarn round hook

If symbols meet in a point at the top, the corresponding sts are to be crocheted off tog. If symbols meet in a point at the bottom, the corresponding sts are to be worked in the same insertion point.

KEY TO CROCHET SYMBOLS

	begin		treble (= tr)
	end		tr in the back loop only
	ch = chain(s)		3 tr, worked in the back loop only and crocheted off tog
	slst = slip stitch(es)		6 tr worked in the back loop only and crocheted off tog
	dc = double crochet(s)		popcorn of 5 tr
	dc, in the back loop only		double treble (= dtr)
	dc, hook inserted deeper		relief-dtr from front
	relief-dc, from behind, around corresponding st		relief-dtr from behind
	2 dc in one insertion point		popcorn of 6 dtr at beg of rnd
	3 dc in one insertion point		1 popcorn with the number of tr indicated by numeral (= crochet all tr, remove hook from the loops, insert from front in crocheting-off loop of the 1st tr, draw loop through, and pull tightly) cloverleaf
	1 dc, 1 ch, and 1 dc in one insertion point		triple tr (ttr)
	3 dc in the back loop only and in one insertion point		1 picot (= 3 ch, then 1 dc back in the 1st ch)
	2 dc crocheted off tog		empty square
	2 dc in the back loop only and crocheted off tog		filled square
	3 dc crocheted off tog		direction of work
	3 dc in the back loop only and crocheted off tog		thread ring (with illus. in the instructions)
	half treble (= htr)		
	htr in the back loop only
